

A Wallingford event during  Red Ribbon Week

House Parties, Underage Drinking, & the Law

WHAT'S AT STAKE?

Attend a one hour social discussion about underage drinking law and liability in CT, and hear about common underage drinking scenarios that many parents/guardians are faced with. This presentation will cover tough topics such as minors drinking at your home (with & without your knowledge), what is/is not typically covered by insurance when there is an injury related to minor alcohol consumption, the role of parent permission, who can be sued, as well as the legal and liability consequences related to drinking and driving.

Learn about what EVERY parent & student should know about...
