PUBLIC SERVICE ANNOUNCEMENT

The Town of Wallingford, acting through its Departments, Boards and agencies, with the assistance of citizen groups and volunteers, is enforcing the Connecticut Laws prohibiting the purchase and/or possession by minors of an e-cigarette or vapor producing device. These products are known to be harmful in that they increase exposure to nicotine, increase the potential for nicotine addiction, and create susceptibility to future disease risks for minors. We encourage all citizens to obey the law, all businesses to not sell to minors, and all families to support our community effort to improve health. Efforts to educate our citizens and enforce the law have a high priority. Please join us as we seek to make our community a place of health and vitality.

This Public Service Announcement is issued on behalf of:

Wallingford Police Department
Wallingford Health Department
Superintendent of Wallingford Public Schools
Wallingford Youth and Social Services Department
Coalition for a Better Wallingford
Wallingford Fire Department
Wallingford Parks and Recreation Department

Sincerely,

William W. Dickinson, Jr.
Mayor
